Welcome to UnitedHealthcare Community Plan.

Welcome to the UnitedHealthcare Community Plan of Missouri. Our network providers are ready to meet your health care needs.

The network doctors, specialists, hospitals and ancillaries — known as providers — are listed in this directory. Your health plan requires you to select a primary care provider (PCP) who will help coordinate your care.

NOTICE: Some providers listed may not be taking new patients. We show some who were not taking new patients when this directory was made. This may have changed. To find out the current status, call the provider or Member Services.

Member Services: 1-866-292-0359, Monday through Friday from 8:00 a.m. to 5:00 p.m. Central Time, TTY Phone Number (Hearing Impaired) and for American Sign Language Services: 711

Online Provider Directory: myuhc.com/CommunityPlan

To find a network provider near you:
  • Choose “Find a Doctor,”
  • Then “Search for a Doctor.”
  • You can also search for a pharmacy or routine vision doctor.

Provider Information includes:
  • Board Certification
  • Languages Spoken
  • Hospital Accreditation

The network providers in this book are not employees or agents of UnitedHealthcare. They are independent providers. UnitedHealthcare does not provide medical care. We do not decide what care you should get. You and your doctor decide what care you should get. UnitedHealthcare only decides what care will be paid for under your health plan. Providers do not make coverage decisions. UnitedHealthcare encourages providers to discuss care options that may not be paid by your health plan.

PLEASE NOTE: This list of providers is subject to change. For the most current list, go to myuhc.com/CommunityPlan. Or call the Member Services number on the back of your ID card.
Emergency Care

If you have an emergency, call 911 or go to the nearest emergency room. In an emergency, you can go out of the network to get care. You should call your PCP as soon as you can after the emergency. Then, your treatment can be coordinated by your PCP. All follow-up care must be provided or arranged by a network doctor.

**Choosing a Primary Care Physician (PCP)**

There are several types of PCPs in this directory. Each covered family member may choose a different PCP in UnitedHealthcare Community Plan. Except in an emergency, your PCP and staff will give or manage all of your health care.

**Changing your PCP.**

If you want to change your PCP, call Member Services. They will help you pick a new PCP. You may change your PCP at any time. You may also contact a doctor to find out if the doctor contracts with UnitedHealthcare Community Plan. When you call, be sure to mention UnitedHealthcare Community Plan. Ask if the doctor is taking new patients.

If your PCP leaves the UnitedHealthcare Community Plan network, they will call and tell us. We will send you a letter within 15 calendar days of us being told by the doctor.

**Seeing another doctor or specialist.**

Your PCP might want you to go to a specialist. A specialist is a doctor who treats a special problem, like a dermatologist or a heart doctor. Your doctor will help you find the right specialist. If you have a complex illness, you may need to see the specialist many times. You may see the specialist as often as needed. If you have complex care needs, a specialist can be the PCP. If you need this, call Member Services. We will help you find a specialist who can meet your needs.

**Out-of-Network Providers**

You or your PCP might decide that you need to see a doctor or provider that is not in our network. Your PCP may need to call us to approve these services before they will be covered. This is called a Prior Authorization. Read more about prior authorization in the member handbook. You do not need a prior authorization for family planning or in an emergency.

**Women’s Health Specialist**

You have direct access to a network women’s health provider for family planning, routine and preventive care. You can find these doctors in the Specialists section of this directory.
Behavioral Health/Substance Use

We offer behavioral health and substance use benefits. Doctors can be found in the Behavioral Health Providers section of this directory.

National Ancillary Providers

We contract with durable medical equipment and laboratory providers nation-wide. Some national providers are not listed in the directory. Call Member Services to help you find a network ancillary provider.

Transportation Services

For more information about non-emergency medical transportation services, call Member Services at the number on your member ID card.
Quality Care Is Important

Not all health care is equal, and that can affect the care you receive. According to one study, adults receive the recommended medical treatment only 55 percent of the time.1

Studies show that poor quality care can lead to more health problems and surgeries. It can also lead to more hospitalizations and a higher chance of the wrong diagnosis.

Your Choices Make a Difference

People who are involved in their health care decisions have fewer hospital stays and emergency visits. They also use preventive care more often and have lower medical costs. You can take an active part in your health. Seek out and choose quality care.

We Can Help You Find Quality Care

UnitedHealthcare Community Plan provides information about doctors who meet quality care guidelines. This information can help you make more informed health care choices.

UnitedHealthcare Community Plan displays the words “Quality Doctor” with the symbol in our provider search tools and MO HealthNet Managed Care member directories. These doctors have met Quality guidelines.

Doctors with the Quality Doctor symbol:
• Met guidelines for quality care.

Doctors without the Quality rating symbol:
• Did not meet guidelines for quality care,
• Did not have enough health plan claims data to be evaluated,
• Do not have a rated specialty, or
• The doctor’s rating is in process.

All UnitedHealthcare Community Plan network doctors must meet standard requirements. So if a doctor does not have a Quality rating, he or she may still provide quality care.

Quality Ratings Are Viewable for Doctors in the Following Specialties:

- Allergy
- Cardiology
- Endocrinology
- Family Medicine
- Internal Medicine
- Nephrology
- Obstetrics and Gynecology
- Pediatrics
- Pulmonology
- Rheumatology

Quality Ratings Are Based on the UnitedHealth Premium Program

The guidelines we use to rate doctors are based on standards from the UnitedHealth Premium® program. This program has been in existence since 2005. The Quality rating uses evidence-based measures from national organizations. These measures define how a patient should be treated to get the best care for his or her condition.

At least five unique patients and 20 quality measure opportunities (the number of times a measurement or standard could have been met) across all conditions or procedures are required to measure quality. In order to meet the quality standard, doctors must perform at or above 50th percentile of all doctors assessed. Quality measures for inpatient procedures are severity adjusted by 3M™ APR DRG severity of illness level.

Doctors Can Appeal Their Quality Ratings

Doctors have an opportunity to review the data used to create their Quality rating. Doctors can also ask us to reconsider the data that was used. The process for these requests are described in the UnitedHealth Premium program’s detailed description.

Do You Have Questions or a Grievance About the Quality Ratings?

Call Member Services at the number found on your member ID card from 8:00 a.m. to 8:00 p.m. ET, Monday through Friday.
Important Notes About Quality Ratings

**Quality ratings are a guide.**
Quality ratings are a resource for informational purposes only. Quality ratings are displayed in UnitedHealthcare online provider search tools and MO HealthNet Managed Care member directories.

Quality rating information is a guide to choosing a doctor and may be used as one of many factors you consider when choosing a doctor. If you already have a doctor, you may also wish to confer with him or her for advice on selecting other doctors. Doctor Quality ratings have a risk of error and should not be the sole basis for selecting a doctor.

Only individual doctors that meet UnitedHealthcare Community Plan Quality ratings criteria, or doctors in identified specialties who are part of medical groups that meet UnitedHealthcare Community Plan’s Quality rating criteria for group practices and who have enough claims data for analysis, may be included. All doctors who contract with UnitedHealthcare Community Plan have met credentialing requirements. Regardless of Quality rating, plan enrollees have access to doctors in the UnitedHealthcare Community Plan network as described in their benefit plan. Specialties for which there are no Quality rating guidelines currently established are excluded from evaluation.
Using This Provider Directory

To find a doctor, choose the county you want in the table of contents. Choose the Specialty you want, such as Primary Care Providers. (Specialty is the area of medicine in which this doctor is highly trained. The doctor trains in this area of medicine after medical school.) Bienvenido a UnitedHealthcare Community Plan.

Bienvenido a UnitedHealthcare Community Plan de Missouri. Los proveedores de nuestra red están listos para satisfacer sus necesidades de atención médica.

Los médicos, especialistas, hospitales y proveedores auxiliares — conocidos como proveedores — se enumeran en este directorio. Su plan de salud requiere que usted seleccione un Proveedor de atención primaria (PCP) que le ayudará a coordinar su atención.

**AVISO:** No todos los proveedores anotados aquí están aceptando pacientes nuevos. Hemos identificado a los proveedores que no estaban aceptando pacientes cuando se creó este directorio. El estado podría haber cambiado. Para obtener la información más actualizada, comuníquese ya sea con el médico o con Servicios para Miembros.

- **Usted también puede buscar una farmacia o por un doctor para exámenes rutinarios de la visión.**

Información acerca de los proveedores incluye:

- Certificación de la Junta
- Idiomas hablados
- Acreditación de hospitales

Los proveedores de la red en este libro no son empleados ni agentes de UnitedHealthcare. Son proveedores independientes. UnitedHealthcare no brinda atención médica. No decidimos qué atención médica usted debe recibir. Usted y su doctor deciden esto. UnitedHealthcare sólo determina la atención de la salud que se pagará en virtud de su plan de salud. Los proveedores no toman esas decisiones de cobertura. UnitedHealthcare anima a los proveedores a que hablen sobre opciones de tratamiento que podrían ser no pagadas por su plan de salud.

**SE HACE NOTAR:** Esta lista de proveedores está sujeta a cambio. Para la lista más actualizada, visite **myuhc.com/CommunityPlan.** O llame al número de Servicios para Miembros en la parte posterior de su tarjeta de identificación.
Cuidados de emergencia

Si tiene una emergencia, llame al 911 o vaya a la sala de emergencias más cercana. En caso de emergencia, se puede salir de la red para recibir atención. Para escoger a un Doctor de Atención Primaria (PCP)

Hay varias clases de PCP en este directorio. Cada miembro con cobertura en la familia puede tener su propio PCP dentro de UnitedHealthcare Community Plan. Excepto en el caso de una emergencia, su PCP y el personal le brindarán o le administrarán a usted todos los cuidados de salud.
Para cambiar de PCP.
Si usted desea cambiar de PCP, llame a Servicios para Miembros. Ellos le ayudarán a escoger a un nuevo PCP. Usted puede cambiar de PCP en cualquier momento en que así lo desee. También usted puede ponerse en contacto con un doctor para conocer si ese doctor tiene un contrato con UnitedHealthcare Community Plan. Cuando usted llame, asegúrese de mencionar a UnitedHealthcare Community Plan. Pregunte si el doctor recibe a nuevos pacientes.

Si su PCP abandona la red de UnitedHealthcare Community Plan, ellos nos lo dejarán saber. Nosotros le enviaremos una carta dentro de los primeros 15 días a partir de la fecha en que el doctor nos lo comunicó.

Consultando con otro doctor o especialista.
Es posible que su PCP quiera referirle a un especialista. Un especialista es un doctor que da tratamiento a un problema especial, como por ejemplo un dermatólogo o un cardiólogo. Su doctor le ayudará a encontrar al especialista más adecuado para usted. Si usted tiene un padecimiento complejo, pudiera necesitar continuar consultando con ese especialista muchas veces más. Usted puede consultar con el especialista tan a menudo como sea necesario. Si usted tiene necesidades especiales para los cuidados de salud, su PCP puede ser un especialista. Si usted tiene ese tipo de necesidad, llame a Servicios para Miembros. Nosotros le ayudaremos a encontrar al especialista que puede satisfacer sus necesidades de cuidados para la salud.

Proveedores por fuera de la red
Usted o su proveedor pueden decidir que usted necesita consultar con un doctor o un proveedor que se encuentre por fuera de nuestra red. Su PCP posiblemente tendrá que llamarnos para obtener la aprobación de los servicios antes de que sean dispensados. Esto se le conoce como autorización previa. Lea más acerca de las Autorizaciones Previ as en su Manual para Miembros. Usted no necesita una autorización previa para servicios de planificación familiar o en caso de una emergencia.

Especialistas de salud de la mujer
Usted tiene acceso directo a la red de especialistas de salud para la mujer para obtener servicios de planificación familiar, atención de rutina y cuidados preventivos. Se puede encontrar estos doctores en este directorio en la sección de Especialistas.
Salud del comportamiento/Uso de sustancias

Ofrecemos beneficios de salud del comportamiento y del uso de sustancias. Se puede encontrar doctores en la sección de Proveedores de servicios de salud conductual de este directorio.

Proveedores auxiliares nacionales

Tenemos contratos con proveedores de equipos médicos duraderos y servicios de laboratorio a nivel nacional. Algunos proveedores nacionales no están enumerados en el directorio. Llame a Servicios para Miembros para ayuda en encontrar un proveedor auxiliar de la red.

Servicios de transporte

Para obtener más información acerca de los servicios de transporte médico que no sean de emergencia, llame a Servicios para Miembros al número que aparece en su tarjeta de identificación de miembro.
La calidad en los cuidados de salud es importante

No todos los cuidados de salud son iguales, y eso puede afectar los cuidados que usted recibe. De acuerdo a un estudio, los adultos solo reciben el 55 por ciento del tiempo los tratamientos médicos recomendados.¹

Los estudios revelan que la inadecuada calidad de los cuidados de salud puede llevar a más problemas de salud y cirugía. También puede dar como resultado más hospitalizaciones y altas probabilidades de diagnósticos equivocados.

Sus preferencias hacen la diferencia

Aquellas personas que participan en las decisiones acerca de sus cuidados de salud tienen menos estadías en el hospital y menos visitas a las salas de emergencia. Ellas también hacen uso de cuidados preventivos de salud más a menudo y tienen menores costos médicos. Usted puede tomar una parte activa en su salud. Busque y escoja cuidados de salud de calidad.

Nosotros podemos ayudarle a encontrar cuidados de salud de calidad

UnitedHealthcare Community Plan proveé la información acerca de los doctores que llenan las normas de los cuidados de salud con calidad. Esta información puede ayudarle a que usted tome mejores opciones para sus cuidados de salud.

UnitedHealthcare Community Plan añade las palabras “Quality Doctor” – “Doctor de Calidad” con el símbolo en nuestra herramienta de búsqueda en los directorios del miembro de Missouri HealthNet Managed Care. Esos doctores llenan las normas de Calidad.

Doctores con el símbolo Doctor de Calidad:
- Llenan las normas de cuidados de calidad.

Doctores sin el símbolo de clasificación de Calidad de control:
- No llenan las normas para los cuidados de salud de calidad,
- No tuvieron suficientes reclamaciones en los planes de salud para poder ser evaluados,
- No tienen una especialidad para ser evaluados, o
- La clasificación del doctor está en proceso.

Todos los doctores dentro de la red de UnitedHealthcare Community Plan deben llenar los requerimientos estándar. Si un doctor no tiene una clasificación de Calidad, él o ella aún podrán proveer cuidados de salud.

La clasificación de Calidad puede verse para doctores en las siguientes especialidades:

- Alergia
- Cardiología
- Endocrinología
- Medicina Familiar
- Medicina Interna
- Nefrología
- Obstetricia y Ginecología
- Pediatría
- Neumonología
- Reumatología

La clasificación de Calidad se basa en el programa UnitedHealth Premium

Las normas que nosotros empleamos para clasificar a los doctores están basadas en los estándares del programa de UnitedHealth Premium®. Este programa ha sido empleado desde 2005. La clasificación de Calidad considera evidencias de organizaciones nacionales. Estas evidencias definen la manera en que un paciente debe ser tratado para que él o ella puedan obtener los mejores cuidados en la condición que tengan.

Por lo menos cinco pacientes con condiciones únicas y 20 oportunidades para la medición de posibilidades de Calidad (el número de veces que una medición o un estándar se produce) son requeridas a todo lo largo de condiciones o procedimientos para medir la Calidad. Para poder llenar los estándares de calidad, los doctores deben encontrarse a un 50 o más alto percentil de todos los doctores examinados. Las medidas de la Calidad para los pacientes hospitalizados están ajustadas por el nivel de severidad de una enfermedad del 3M™ APR DRG.

Los doctores pueden apelar su clasificación de Calidad

Los doctores tienen la oportunidad de revisar la información empleada para la creación de su clasificación de Calidad. Los doctores también pueden solicitar que nosotros reconsideremos la información utilizada. El proceso para estas solicitudes se describe en la descripción detallada en el programa UnitedHealth Premium.
¿Tiene usted preguntas o un agravio acerca de la clasificación de Calidad?

Llame a Servicios para Miembros al número anotado en su tarjeta de identificación como miembro, de lunes a viernes entre 8:00 a.m. y 8:00 p.m. tiempo del Este.

Importantes notas acerca de la clasificación de Calidad

Clasificación de la Calidad como una guía.

Las clasificaciones de la Calidad son recursos informativos solamente. La clasificación de la Calidad se muestra en las herramientas en internet para la búsqueda de proveedores de UnitedHealthcare y en los directorios para el miembro de Missouri HealthNet Managed Care.

La información de la clasificación de Calidad es una guía para escoger a un doctor y puede ser empleada como uno de los muchos factores que usted debe considerar cuando escoge a un doctor. Si usted ya tiene un doctor, puede desear hablar con él o ella acerca de sus opciones al seleccionar a otros doctores. La clasificación para seleccionar a un doctor tiene un riesgo de error y no debe emplearse como la única medida para seleccionar a un doctor.

Solamente doctores individuales que llenan el criterio de clasificación de Calidad de UnitedHealthcare Community Plan o los doctores en especialidades reconocidas quienes son parte de prácticas médicas que llenan el criterio de clasificación de Calidad de UnitedHealthcare Community Plan y que han tenido suficiente información de reclamaciones para poder ser analizados son incluidos. Todos los doctores con un contrato con UnitedHealthcare Community Plan han llenado los requerimientos para una certificación. Sin importar la clasificación de Calidad, los suscriptores al plan tienen acceso a los doctores dentro de la red de UnitedHealthcare Community Plan como se describe en su plan de beneficios. Las especialidades para las cuáles no hay normas de clasificación para la Calidad no están incluidas en esta evaluación.
Como usar este Directorio

Para encontrar un doctor, escoja el condado que quiere en la tabla de contenido. Escoja la especialidad que quiere, como Proveedores de Atención Primaria. (Especialidad es el área de la medicina en la que este médico es experto. Eso significa que el médico recibe más capacitación en esta área de la medicina después de la escuela de medicina.) ¡Recuerde tener consigo su tarjeta de identificación como Miembro y su tarjeta de MO HealthNet!

Toda la información en estas listas se basa en la solicitud presentada por el proveedor. Nosotros comprobamos el certificado y las afiliaciones hospitalarias cuando estos proveedores se incorporan a nuestra red. Verificamos cada tres años (o antes). Comprobamos nombres, números telefónicos, direcciones, idiomas que hablan, limitaciones y sexo con el proveedor cuando ellos se incorporan a la red o cuando nos proporcionan nueva información.

Esta tabla le ayudará a entender las listas de cada proveedor.
